REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2011-2012 school year, the students and staff of Sangaree Middle School continued our quest for excellence. We strengthened our commitment to the 10 key practices of Making Middle Grades Work. Teachers worked collaboratively within Professional Learning Communities focusing on developing assessments that are on target with state standards. This was our first year for the implementation of Positive Behavior Supports. We continued with our focus on literacy. Sixth grade students participated in the Action 100 reading program. Additionally, with literacy grant funds, we gave each student books to read during winter and summer breaks. During the summer 15 students were involved in the Tech Bridge program where they became owners of a desktop computer that they built and programed!

In keeping with our district focus on community involvement, SRM is pleased to note that we increased our business partners as well as the active role business/community partners play in our school. With the help of our partners, we hosted a Green Power Day to showcase our solar panel for the 10th anniversary of Santee Cooper's Green Power and participated in the Trident United Way Day of Caring. Additionally, we hosted two very successful family movie nights as well as a family trivia night. Our Junior Beta Club raised in excess of \$1,600 for the Make A Wish Foundation. We furthered our service learning efforts through the community canned food drive. We filled "Santa's Sleigh" with collected items and monetary donations for the Callen Lacey Home. Our guidance department instituted a Random Acts of Kindness campaign to encourage positive interactions.

SRM is proud to share the recognition that we have received. Our guidance department earned the RAMP Award recognizing outstanding ASCA model programs. Four students earned a perfect score on the 2011 PASS test! Our Trebuchet team came in 3rd place during the STEM events at The Citadel, and the Robotics team participated in the Lego Competition. One 8th grade student was selected to participate in the Young Writer's Institute. Eleven students were recognized as Junior Scholars and 6 students were named as Duke TIP Scholars! In the BCSD Quiz Bowl, 3 teams took home medals. Thirteen visual arts students won ribbons in the Coastal Carolina Fair Art Show. In the performing arts, SRM boasts 20 students in All County Chorus, 24 students in All County Orchestra, and 30 students in All County Bands. Our orchestra received a Superior rating at Concert Festival, and our band received an Excellent rating. Our band also received the Outstanding Performance Award for the 8th consecutive year. With all of these accomplishments, it is no surprise to note that SRM received the Palmetto Silver Award for academic excellence!

Sangaree Middle School continues to be an outstanding place for students and teachers to learn and grow. We look forward to the coming year when we embrace the Common Core State Standards!
